Merry Christmas

That the editor and publisher of the Cypress Enterprise wish to extend their sincere wishes to all of you for a Merry Christmas and a genuine happy state of mind throughout the holiday season and the year to come.

Christmas Spirit

That the spirit of Christmas is more than a season of gift buying and exchanging; rather, it is the time of year which we mortals set aside to celebrate the birthday of the greatest figure in history, Christ, the Lord, who lived on earth for a mere 33 years but burned an impression into the minds of men that is destined never to be removed. Reflect for a moment the weight of the present evidence that this man was indeed the son of God. He changed the entire world and the thinking of all mankind. With a handful of men he conquored the brain power of nations where armies had previously failed. What other figure have we in the history of the world that can boast of having his birthday celebrated each year as the greatest holiday(holyday) of the year. Whether people believe or disbelieve that Christ was truly the son of God none can refute the weighty evidence that this man who lived a mere 33 years on earth had more effect on the minds of men than any other being or event in the history of the world. How old are you? What have you accomplished in 30 or 40 odd years of life? If you died this week what would you be remembered for?

Post Office

That the new buildings on the east side of town are coming along very fast and will soon be open for business. Cypress will have a new modern market even though it will not be in the heart of town. The builder of the new structure has promised to build Cypress a new post office and deed it to the government on the site of the new property. We all know that this would move the center of activity out that way and would be generally bad for Cypress. No one can deny that it would stir things up. The only way to prevent this is by direct ACTION of the Chamber of Commerce.

Teen Agers Need

That the spirit of Christmas as exemplified by Carl Rehnborg, Buena Park business man, who recently donated a $10,000 check toward a Youth Foundation in that town might well be imitated by someone in Cypress, on at least a somewhat smaller scale, by giving direct aid to the "Teen Agers," who are at present seeking aid toward getting the use of a building to hold their semi-weekly dances. Cooperative action by the Chamber will probably be the solution in this case but please let's not have the entire program ignored as though it didn't exist. That would be as to encourage America's number one problem, "juvenile delinquency."

Carol Singing

That everyone is hoping that some group in the community will do a little Christmas caroling in the streets of Cypress on Christmas Eve or Christmas Day. There is nothing that can replace the joy of singing on the Birthday of Christ.

Names In News

That congratulations are in order to Mr. and Mrs. Carl Harvey of Hancock Service station on the birth of their son, seven lbs., 3 ounces. Recently Carl burned his face rather severely when a can of gasoline went up in his face but the joy of a bouncing baby son for Christmas will more than offset the burn. Gee, what a nice Christmas present he and the Misses got!

That Pat Arnold is busy making final arrangements to erect a new group of store buildings in downtown Cypress between Cypress Cleaners and his liquor store.

That local business men Dick Hathcock, Frank P. Noe, Foster Noe, Jim Moss, Mr. Essex, and John's Fix-it shop all report Christmas business as very good. Incidentally John Crume told us that the advertising he ran in the Cypress Enterprise really paid off with results. He wishes to thank all the merchants who helped make his half page advertisement possible. Also thanks to his pal "Frosty" Lowrey who did the soliciting on the advertisements on a contract basis with the Enterprise.

That it is between E. V. Corby and Commander Biggs of the VFW for honors as to who drinks the most coffee in the Leona's and Stan Doerr's.

Cypress Firemen Lauded For Good Work By State Forest Ranger

Chief A. E. Arnold
P. O. Box 37
Cypress, California
Dear Chief Arnold:

On behalf of our Division and personally, I wish to take this opportunity to express our deep appreciation for your help on the Green River fire in Orange county the fore part of November.

In responding with a fire truck properly manned to aid us in our suppression activities on this fire was of great help. As you know, there were many additional thousands of acres of water shed area at stake together with the protection of manyh omes, and every piece of equipment that we could get was really needed. Your men were on the job day and night missing meals and sleep and working under very adverse conditions, together with the leaving of their own community.

The spirit in which this cooperation was rendered was most gratifying. The cooperative efforts on the part of many organizations is what it takes to handle an emergency of this kind, irrespective of where it may be.

It will be appreciated if you will extend our personal thanks and our kind expression of appreciation to the members of your Department who served on this fire. They may rest assured that they all had a real part in suppressing this fire.

Thanks again for a good job well done.

Very truly yours,
J. A. SHERMAN,
State Fire Marshal

V.F.W. Auxiliary Turkey Dinner Is Success

The recent Cypress VFW Auxiliary post sponsored Christmas dinner held in the school building, was a success and showed a profit of $50 according to Mrs. Ann Lucas, publicity chairman. Some people enjoyed the meal so much that they have requested that the auxiliary institute a monthly dinner in the school building in order to provide a common meeting ground for citizens of the town.

115 adults and five children were fed delicious turkey dinners by the ladies of the local post. Many guests from the Santa Ana VFW area were present.

Two turkeys and a goose were given away to the lucky ticket holders as door prizes. The winners were Louis Wardell of Santa Ana, a goose; Mr. and Mrs. Jennings of Cypress, and Robert Bailey of Long Beach, a turkey each.

Meeting

The Auxiliary adopted a hospital ward at Sawtelle at the last regular business meeting. The ward is composed of veterans of both World Wars. The work of the local ladies will consist of satisfying small personal needs such as candies, cigarettes, toilet articles, and arranging parties for the men.

Florence Bradbury of Casa Grande, Arizona was accepted into the post as a transferee. Betty Knauss won the mystery package of the evening which included a salad set, egg separator, and rose vase.

The last hospital trip at which the auxiliary took 54 wrapped Christmas gifts to the veterans was discussed. The gifts included 16 dozen cup cakes, Hersey bars, cigarettes. The last two items were saved by ward heads to be given away on Christmas day.

Courtney Miles of Cypress Weds Nadine Wendell

Altogether charming in their simplicity were the wedding rites which united in marriage Miss Nadine Wendell, daughter of Mr. and Mrs. R. Wendell of Bellflower, and Courtney L. Miles, son of Mr. and Mrs. Rollin Miles of Cypress. The single ring ceremony took place at 7:30o 'clock on the evening of Dec. 17 in the home of the parents of the bride-groom, with Rev. Arthur L. King, pastor of Cypress Baptist church, officiating.

An improvised altar was arranged before the fireplace in the living room with the young couple standing beneath an arch of greenery from which was suspended a large wedding bell. Christmas decorations of red berries and evergreens were used throughout the rooms.

For her wedding, the bride wore a grey pinstripe tailored suit which matched the one worn by her bridegroom. Her corsage was a lavender orchid surrounded by gardenias.

Attending the couple were Mr. and Mrs. Frank Bonini of Compton. Mrs. Bonini wore a beige suit and her corsage was of gardenias.

A reception was held immediately following the ceremony with the bride cutting the first slice of the three-tiered wedding cake Serving duties were then assumed by Mrs. Wendell. Mrs. Miles served the ice cream and coffee.

A weekend honeymoon was spent at Big Bear after which the new Mr. and Mrs. Miles returned to Cypress to make their home at 5722 Crescent Avenue.

Mrs. Miles attended Excelsior High school. Her husband is a native of Cypress and is a graduate of its school and Anaheim high. He served two years in the Navy and took part in both of the atom bomb tests at Bikini. He is now attending a barber college in Long Beach.

Guests at the wedding were mostly relatives with a few close friends. Included were Mr. and Mrs. Courtney L. Miles of Sierra Madre; Mr. and Mrs. Claude Miles and Mr. and Mrs. J. M. Robinson of Redlands; Mr. and Mrs. Jack Foster, Mrs. Loretta Batis and Mr. and Mrs. William Foster of Bellflower; Mrs. Juan Miles of Lynwood; Mr. and Mrs. Ray Miles of Pasadena; Mr. and Mrs. Fred Burrows of Colton; Mrs. Inex Vaughn of Redlands; Mrs. Eva Wallace and daughters, Betty and Dorothy of Alhambra; Mr. and Mrs. John Carpenter, of Montebello; Mr. and Mrs. Charles Lamblin of Ripley; J. Adkinson and D. Adkinson of Compton; W. R. Barnhart, Roy Barnhart, Jim Bock, Hollis and Jack Woodmansee, Glnn Rogers, Warren Mackay, Jimmy, Tommy and Willie Cobrun, Jimmy King, Mr. and Mrs. John Boettcher and Mr. and Mrs. Don Boettcher, all of Cypress.

Merry Christmas to You

Wishing you all the things that hold a true meaning of Christmas . . . friends, contentment, peace of mind. May the spirit dwell in your home and throughout the coming New Year.

St. Pius Men Vote Building Plan Change

A change of building plans for the new St. Pius V church developed at the last meeting of the Catholic Men's club of Buena Park and Cypress, when it was unanimously voted to throw out the proposed combination hall and church plans in favor of a single church structure.

The meeting was held in the home of George Waldman of 210 Homewood Avenue, Buena Park. Frank O'Brien, chairman, presided over the meeting and introduced Father Frederick Kass, pastor, who explained to the men his reasons for favoring a new set of plans to replace the old ones. Sentiment of the men was pretty strong for a church proper rather than a combination building so the proposed change in plans was speedily adopted.

If the tentative plans that are now in the process of being drawn up are accepted by Archbishop McIntyre's board of building advisors, the Buena Park and Cypress area will have a new medium sized church in the near future.

The next regular meeting of the men's club will be held in Cypress after the holidays in the home of Peter Van Ruiten, of Bloomfield avenue, Cypress.

HOLIDAY DANGERS CAN BE FATAL

Death Takes No Holidays, Record Shows

Christmas fire tragedies which have struck many cities in past years indicate the need for extra care during the holidays eason, the National Board of Fire Underwriters says.

Ninety-nine people died in St. Johns, Newfoundland,d uring the Christmas season six years ago when flames from a kitchen stove ignited combustible decoration hanging from the ceiling. Panic contributed to the death toll in this fire, which cost more lives than any other Christmas disaster on this continent.

Oklahoma Tragedy

Thirty-six people died in a small school house in Babbs Switch, Oklahoma, when candles ignited a Christmas tree at a party during the 1942 Yuletide season. One hundred others were injured.

In Jersey City, New Jersey, a toy electric train ignited a Christmas tree set up in a hotel lobby and four deaths resulted. This tragedy occurred in 1937, and a year later three children were burned to death when their ballet costumes were ignited by a portable gas heater as they gathered in a dressing room while preparing to give a Christmas performance for a group of orphans.

Death Strikes Convalescents

In 1945, seventeen people died and 30 others were injured in Hartford, Conn., when a short circuit set fire to combustible decorations around a Christmas tree in a convalescent home.

These tragedies emphasize the importance of taking special precautions during the Christmas season, safety experts point out. All costumes and decorations should be flame-proofed, and children should be cautioned not to stand near open flames. Candles should never be used as part of Christmas decorations or lighting, and electric light cords should be checked for wear. Greater safety can be insured by looking for the Underwriters' Laboratories tag or label on Christmas light cords.

New Year Party Decorations May Bring Tragedy

New Year's Eve confetti whirls, colorful costumes and mountains of paper decorations make for a gay welcome tol 94o but also present a serious threat of fire, according to figures of the National Board of Fire Underwriters.

Dried out trees, green wreaths, cotton snow, and other Christmas ornaments may still be up by the time New Year's parties bring their own dangers in the form of party favors, costumes and decorations. A carelessly thrown match as the party mellows, would wreak havoc.

The fire experts advise celebration with a pre-party thought to safety.

By the time New Year's arrives, most Christmas trees in steam-heated apartments and homes have withered. Take them down before the big night, they suggest, maintaining that most people keep up their trees too long for safety.

Don't use flammabre decorations.

If you're planning a party, make certain there are enough ash trays around the house. And don't use lighted candles as decorations.

Six Home Permits Granted Here; Four Movable

Six home permits were issued this week in Cypress by Orange County's Building department, bringing to the total spent for home building in the county to $17,000,000. Four of the homes in the Cypress area are of the moved in type.

The permits were granted to Joe Cota, home at 9281 Grindley St., $8760; Tom Hetzel, foundations for four moved-in homes at Gay and Crescent Sts., $3000; and H. J. G. Kreissler, home at 8212 Gay St., $2500.

Hey Kids, I'll Be In Cypress Friday From 10 To 3 O'clock

Santa Claus has informed the Cypress Enterprise that he will be in town at ten o'clock on Friday morning and will stay for the party planned by the Business Men which is to be held around the Christmas tree on the vacant lot across from the post office at 2 o'clock.

Parents are urged to attend with the tiny tots in order to prevent confusion which might result when the children see Santa and get their candy and gift bag from him.

Santa's letter follows:

Dear Boys and Girls of Cypress,

Guess what! Did you know old Santa's reindeer can sing! Well, they can—yes sir-ee! And they know it's Christmas and time for me to visit you! Why, last night when I went out to feed them, they were prancing around and singing.

"Clip-clop, clippity-clop!
We pull the sleigh all loaded with toys,
We carry Old Santa to girls and boys,
We toss our antlers and paw the snow,
We jingle our bells and away we go—
Clip-clop, clippity-clop!"

They are just that anxious for Christmas Eve! They're sure to give their bells an extra jingle when we pull up at your house. But if you're sound asleep when I peep in, I'll fill your stocking from toe to top. I'll leave nice surprises too around your Christmas tree. Then before you can open your sleepy eyes, my reindeer and I will be off through the skies.

Teen - Agers To Seek Aid Of Chamber

The "Teen Agers" of Cypress, led by Gloria McKenzie of Walker road are busy getting a petition signed by all the residents of town to seek aid from the Chamber of Commerce in obtaining a building to hold semi-weekly dances in rather than going all the way to Anaheim as has been the custom. The petition will be presented to the Chamber at their next regular meeting.

The youngsters at first considered petitioning for a bus that would get them home in time to keep the wrath of their parents down but abandoned this plan when some of the girls reported that many parents were opposed to their girls leaving town twice weekly to attend dances in Anaheim.

Others serving on the petitioning committee are Nancy Allen, Laverne Stanley, and Whitney McClaughlin. The girls would welcome any aid offered by the business men of Cypress toward their goal of a recreation building which they could use any night in the week. They feel that sales from cokes, and other items would more than pay for the renting of a desirable building. Any old dance records will be appreciated by the group.

Mr. and Mrs. Al Nicholsen of Alameda are spending a few days visiting the latter's grandfather, Hugh LaRue. Mrs. Nicholson will be remembered as the former Myrna LaRue, who made her home with her grandparents.

Heavy Fog Boosts Collision Record In This Area

The heavy fog which blanketed the Orange County early in the week contributed to ten automobile accidents in this vicinity two of which were in the Cypress area according to California highway patrolmen.

A young woman who recently underwent a majoro peration and was still recouperating was injured seriously in an accident shortly before midnight Saturday near Cypress.

Mrs. George McCoy, 22, of Bellflower, was hurt when a car driven by her husband crashed on Lincoln Boulevard near Moody Street with a machine driven by William Chapman, 19, of Cypress.

Two other persons, Romeo Lemon, 38, and Eleanor Sepulveda, 34, both of Los Angeles, were injured in a crash at Orangethorpe Boulevard and Harvard Avenue. Drivers involved in the crash were Kenneth Fesmire, 19, of Long Beach, and George Felix, 53, of Los Angeles, with whom the two injured persons were riding.

On one question of 'rights" as between drivers and pedestrians the car owner is apparently too often in the wrong, reports the National Automobile Club. That seems to apply in the case of the green light giving the car owner an unqualified "go' signal. Courts have held that his right to move on the signal is not unqualified, that pedestrians in the intersection must be allowed to clear the intersection.

CHRISTMAS STORY

Throughout America the traditional signs are unmistakable. Christmas is almost here!

Stores are jammed with last minute shoppers. Gaily decorated trees gleam in windows and on the public squares. Millions of moppets are heeding their parents' warnings to be especially good lest Santa cross them off his list.

In other Christian countries, the material joys of the holiday season are far less in evidence. Still, Americans can be happy that in Europe this Nation's aid has reaffirmed the true meaning of Christmas to thousands of nearly destitute people. The flow of American goods under the Marshall Plan must be as welcome to Western Europe as daily visits from St. Nick himself!

Like a Christmas story, the knowledge that others are happy because of our help should make this a merrier Christmas at home — as well as abroad.

SERIOUS THOUGHT

More and more gaily decorated Christmas trees and displays are appearing in the windows of homes every day. They are beautiful in the splendor of decoration but let us hope that the owners have taken every precaution to avert the presence of that visitor who brings tragedy into so many celebrations this time of year. Fire!

Firemen have given many suggestions on how to cut down the chance of disaster, such as mounting the tree in water or wet sand, no candles on the tree, not using cotton or any other inflamable material at the base, inspecting the wiring of all lights, all of which need not take away from the joy of the celebration, but rather make it more joyful, as we would not be creating a hazard.

We observed fire prevention week in October, but it would seem this is an especially good time to keep the rules hard and fast in our minds, and apply them. The great majority of fires at this time of year could have been prevented by a little time and energy and by being careful, little things but all added together to strike at our homes and lives.

It is heartening to come home to a house that has a lighted tree in the window, rather than a dark one, but it is also better to come home to a dark one than one illuminated by the glow of the lights of the fire truck!

Damrons Entertain With Xmas Party

Dr. and Mrs. M. H. Damron entertained a group of relatives and close friends at a pre-Christmas turkey dinner last Saturday night at their home on S. Walker Street. Red berires, greenery and a beautifully decorated Christmas tree gave an atmosphere of holiday festivity. Dr. Damron, who is an accomplished pianist, entertained with musical selections and furnished accompaniment for group singing.

Guests were Mr. and Mrs. Vincent Marchesi, of Huntington Park; Mrs. Roger Corrin and daughter, Christine, Miss Kay Adams and Phillip Damron, all of Long Beach; Mr. and Mrs. Hank Stegnan and children, Barbara and Jimmy, of Temple City; Mrs. Reuamh Damron of Huntington Park; and Mr. and Mrs. Elmer McWilliams.

A MERRY CHRISTMAS TO ALL By COLLIER

I RISE TO REMARK
By John Phillips

For the sixteenth consecutive time, this column rises to remark MERRY CHRISTMAS!

Christmas is the birthday of the Prince of Peace. We sometimes seem to forget that. It is also the day dedicated to Santa Claus and even he seems at times to have been sunk without a trace in the sea of commercial activities and appeals. The original St. Nick seems to have been a kindly soul, fond of children, who gained his place in our lives by trying to help a neighbor marry off his three daughters. His efforts involved a certain amount of what we'd call "self-help."

It would be a good year, this end of 1948, for us to recall both origins, peace and self-help. A few days ago the Los Angeles papers expressed astonishment, with banner heads, over the discovery that Great Britain, Belgium, and Holland were buying aluminum and lead scrap, with money supplied by the American taxpayers, and then were selling this metal to the United States at a neat profit.

What was surprising in that? 74 members of the Congress voted against the original terms of the Marshall Plan because it not only permitted such maneuvers, but actually contemplated them. American tobacco to keep the socialistic budget of England in the black, when it would otherwise be in the red; American cotton to prevent the sale of the products of European looms; American coal, sent gratuitously to retard British recovery; American money and gifts to support European governments which look favorably to the Left. Had it not been for the Appropriations Committee, American money would have paid reparations to Russia.

These things are not "self-help.' They are neither intelligent nor Christian; they embody some mistaken conception of the Christmas spirit. It would be well for us to distinguish between efforts towards Peace and Good Will to Men, and the follies which impoverish men morally and spiritually and eventually lead to war. America can lead the world to better understanding and peace, or to domestic and international confusion and eventual chaos. Being an optimist, I look hopefully for a turn towards ordinary old-fashioned American common sense.

Merry Christmas!

Present were Susan Zwart, Jayne Chapman, Ann Wolford, Mildred Richards, Rosetta Smith, Ruth Harris, Barbara Palmer, Cynthia Colton, Myrtle Johnson and Juliet Stearns.

Mr. and Mrs. Garritz moved from San Pedro andnow are living at 9051 Moody Road.

The bicyclist's right on the highway is beyond question, declares the National Automobile club. The law usually prohibits him from using the sidewalk designed for the pedestrian alone. On the street or highway he enjoys pre-eminence over the motorist as the "inferior" person who always has a right to expect the courteous consideration of the motorist who, the regulations say, is the "superior."

Los Alamitos

Mrs. Frank J. Watte
Phone Long Beach 35348

The annual Good Neighbors club banquet, held in the Fire Station this year, was one of "gastronomic" splendor. There was food in abundance, and delicious tasting turkey was the main course. Candied sweet potatoes, string beans, diced apple salad, stuffed celery, mashed white potatoes, olives and coffee completed the meal. A dessert of home cooked apple and pumpkin pie topped it off. A presentation to the outgoing president, Mrs. Fred Johnson, of a beautiful cameo lavalier broach, and earring set highlighted the evening. A Yuletide decoration theme was carried out.

The Business Association postponed its regular monthly meeting due to the Christmas holiday season, and all of the special programs which are taking place. However, the regular meeting will be held in January, but no date or place has been designated.

The teen-age group of Los Alamitos participated in a big Christmas party at the Fish home on Walnut street Wednesday. 55 students from Anaheim high school piled into the house, dragged out the furniture, and made themselves at home. Practically every local boy and girl of high school age was there for an evening of dancing, and a lot of fun. Sandwiches, pop, homemade fudge and hot popcorn filled the young folks. After the party, all the girls stayed over for a slumber party. Joe Sue Jennings, Marlene Wright, Ola Mae and Lois Fish really had a crowd on their hands. In the middle of the evening the whole group went Christmas caroling, in Los Alamitos and surrounding areas. A big Christmas tree added to the whole atmosphere of gaiety.

Sunday evening the children of the primary, intermediate and junior classes of the Community church presented a lovely Christmas program. Mr. Lawrence Plummer acted as narrator for the motion picture "Babe of Bethlehem," which was given later in the evening. Several children who performed were Charalyn Hubert, Cynthia Watte, Ella Mae Myers, Lois Sunderman, presenting songs, poems and Christmas carols. The church was beautifully decorated, and Joe Jennings and Lois Fish were in charge of that. All of the children were given a bag of candy from under the Christmas tree.

Journeying up to Big Bear this weekend will be Tommie Laney, Maxine Stockton, Bill Everett and Lois Fish. They intend to eat their lunch up there Sunday, and get some fine tobagganing and skiing in.

Three Los Alamitos residents were taken ill with appendicitis this last weekend. The son of Mrs. Roy Owens, Howard street, was taken to St. Joseph's hospital, and is recuperating nicely. Mr. Jack Lynch, president, president fo the Chamber of Commerce, made a quick trip to St. Mary's hospital, and Dale Fanning is now convalescing in the Magnolia hospital. Say, I wonder if that stuff is catching.

A recent visitor in the Frank Watte home, Mrs. Marie Lanaur, grandmother of Mrs. Watte, is now on her way to El Paso, Texas, for a snowy Christmas with her son, daughter-in-law and four grandchildren. The youngest granddaughter being only three weeks old. It will be Mrs. Lanaux's first Christmas with her son in nine years. She resides in Santa Ana with her daughter, Mrs. C. C. Bell.

Mrs. Lee Ellis was complimented on her birthday Friday, December 17, with a dinner by Mr. and Mrs. Fred Kerth, 40 Lindora, Belmont Shore. The next day Mr. and Mrs. Del Burry of Huntington Beach took the Ellis' to the 40 and 8 Christmas party at the Legion Hall. A late dinner that night was given for Lee by Mrs. Blanche Sommerfeld. Mr. and Mrs. Burry, Mr. and Mrs. Ellis, Mr. Olo Commerfeld were included for the dinner. Sunday the Jack Flemmings took Lee and their daughter, Mary Hensely, to dinner at Swanson's cafe in Santa Ana. Lee has decided that forgetting a birthday doesn't pay, if your friends are willing to remember it so well.

Los Alamitos friends wish to offer their condolences to the Tony Aguilar family. Wife and mother, Mrs. Mary Aguilar, Reagan street, left a husband, Tony Aguilar, Sr., and a son, daughter-in-law and two grandchildren, who reside on Walnut street. The funeral was held in St. Isadore's church Friday, and Mrs. Aguilar was buried in Holy Sepulchre Cemetery, Orange.

The Milburn family have just had an addition, one new daughter born Sunday, Dec. 19. Little brother Orville can hardly wait for his 7 lb. 7 oz. sister to get home. Mrs. Daphne Webster is convalescing at the Los Cerritos Maternity hospital, but expects to be home for Christmas. That's what anyone would call a super deluxe Christmas present.

Two out of town visitors to the Oscar Watte household this week, are their son and daughter-in-law (Omer and Evelyn) former residents, of Tulare, California, and Mr. and Mrs. Floyd Sumner and family from Sunland. They are down to visit Grandmother Otte, and give her their best Yuletide wishes.

Mrs. Bonnie Rathbun received word this week that her father, Mr. Charles Arrauts of Fowler, California had died of a heart attack. She and her husband will drive to Fowler for the funeral, Thursday.

The St. Isadore Altar society presented the children of the catachism class with candy and a medal for a little momento of the seaon. Mrs. C. Mehren and Mrs. R. Fletcher were in charge.

The school children saw Santa, received an orange, nuts, candy and ice cream and watched a movie cartoon, the last day of school. The mothers, who visited the home rooms received gifts made and wrapped by their own children. One room offered little wax candles, with hand stenciled paper and a prettily celephane wrapped package.

The COPY BOY

Big and little boys alike enjoy a beautiful birthday cake, so it wasn't surprising that George Watte ate the lovely cake his mother made him with relish on his 22nd birthday. His mother and father, brothers and sister-in-laws all complimented him with some gifts. The evening was spent "just visiting."

Here's A Merry Christmas to All of my Los Alamitos friends. May it be the best yet.

Mrs. Troy Stinson gave a luncheon for members of a club in her home on Acacia drive Monday, December 20. Christmas gifts were exchanged and boxes of cookies were packed and sent to the inmates at Norwalk hospital.

Members presented included Mrs. Joe Iahn of Los Angeles, Mrs. Robert Ebbs, Mrs. Carol Deary, Mrs. Clara Ringmun, Mrs. John Craig, Mrs. Lee Harville, Mrs. Peter Christy, Mrs. Royce Allen, and Mrs. George Weist of Compton, Mrs. George Meke of Lynwood, Mrs. Maurice Flourette of Norwalk, Mrs. William Kinsolving of San Jacinto, Mrs. Martha Waman, and Miss Strusen.

Mrs. Louisa Aguiar, as community service chairman for the American Legion Auxiliary wishes to express her thanks to the many organizations that have aided her this year in her social service work. The people who received the baskets and clothes were ones who badly needed them. She was able to get 35 toys to distribute to local children from the 40 and 8 dance held in Huntington Beach. Each person attending that evening was asked to bring a toy, and it was in turn given the welfare and Community service chairman of the 24th district and the 21st district. Florence Sommerfield divided hers with Louisa. The outcome was that Mrs. Frank Tischler, in the form of Santa Claus, and Mrs. Aguiar, visited the Orange County Hospital and distributed gifts and candy to the cancer ward, TB ward and many others, spreading a lot of cheer.

Los Alamitos Naval Air To Enter Float

The Los Alamitos Naval Air station will enter a float in this year's Tournament of Roses Parade, to be held in Pasadena January 1, Captain Michael H. Kernodle, USN, Commanding officer of the air station, said today. The title of the air station's entry will be "Birth of a Birdman," portrayed by a full-scale model of a Curtis hydroplane flown in 1915 by the first naval aviators. The plane is about to enter a body of water from a ramp which leads up to a small old style hangar in the background. The body of water, with white caps, will be represented by thousands of blue and white flowers. Lieutenant (juior grade) Harvey C. Ray, assistant operations officer at the air base, will serve as pilot oft he plane, completely attired in what the fashionable flier of that era wore. This type of plane was flown by men who became admirals and retired from the Navy, such as Admirals Towers, Bellinger, and Read.

The unique float was completely built by the enlisted men of the air station from scraps and spare parts, thus making the cost negligible to the Naval Air Reserve. The work was under the supervision of Lieutenant V. L. Sheldon and Master Sergeant R. W. Willoughby. E. H. Daniels Associates of Pasadena, professional decorators, will adorn the entry.

Last year the air station's entry of a full-scale mock-up of the famed Douglas Skystreak, holder of the world's speed record, walked off with top honors in Class AA.

Knott's Annual Christmas Party Great Success

Several hundred persons attended the annual Christmas party for the employees of Knott's Berry Farm on Monday evening. With their families, those who work at that busy place gathered in the main dining room which had been transformed into an auditorium with a stage on which stood a beautiful big Christmas tree.

With Mrs. Walter Knott acting as mistress of ceremonies the following program was presented.

The Nativity was portrayed in pantomime by the employees of Ghost Town and the Chapel.

Misses Edith and Josephine Courreges of the Gift Shop sang "White Christmas" a duet.

Those from the "Chicken House" sang an original song, and the employees of the Paint Shop gave a song and dance. The Gift Shop girls portrayed the Blue Cross. A skit "Is there a Santa Claus?" was given by those who work in the kitchen. The waitresses presented a dance and the dishwashers, a song. From the Dress Shop came a song, "Guess Who?" A clever little skit was given by those who are employed in the Nursery and Plant Shop.

The popular Beeman family three of whom work at Knott's, furnished a musical number. The bus boys brought down the house with a dance in costume. Those from the Steak House sang "All I Want for Christmas Is My Two Front Teeth."

Loring Campbell, magician, and his wife, who is a ventriloquist, gave some numbers which were much appreciated. After all had joined in a Christmas carol, Santa Claus in person distributed candy.

Each employee received something for the Christmas dinner table from the Knott's. Gifts were exchanged by those who work in the various departments on Monday afternoon. These parties have become a tradition that is anticipated year after year.

The dining room, where cookies and ice cream were served, was decorated with a Christmas tree and other holiday trimmings. Le Roy Vollbrecht, Ralph Scally, Chas. Hillman, Albert Howard and Mrs. Fred Winters composed the refreshment committee.

St. Pius V Christmas Services

Reverend Frederick J. Kass announces the Catholic Christmas services to be held in American Legion hall in Buena Park as follows:

High Mass at 6:30 a.m.
Low Mass at 8:00 a.m.
Low Mass at 10:00 a.m. followed by Christmas carol singing under the direction of Mrs. Lawrence Smith director of the choir. The choir will meet at the home of Mrs. Lawence Smith Thursday night at eight o'clock to go caroling.

Confessions will be heard on Friday night in the Legion hall from 7 to 8 o'clock, and before all masses.

Kiwanis Annual Christmas Party

Buena Park Kiwanians enjoyed their annual Christmas party Tuesday evening at the Woman's club with 90 members and friends attending. Traditional turkey dinner with all the trimmings was served followed by introductions and an evening of entertainment.

Joe Seff, magician, of Long Beach was the featured entertainer whose feats of magic kept the group happy. During the dinner a group of girls from Fullerton high school sang several Christmas songs and Bobby Mitchell, son of one of the members played a marimbaphone solo.

The Kiwanians plan to stage a really fine evening meeting on the occasion of their annual installation party next Tuesday night. The dinner will be held at American Legion hall with Rev. J. Whitcomb Brower, Jr., of Glendale, as the speaker. Several district officers will be present as Frank Noe assumes the presidency relinquished by L. M. Renaker.
